## Subject: Marketing

You are hired as the marketing manager for DELL Computers Distributors in Nepal, You are now tasked to help DELL sell computers to both the consumer and industrial market. Create a report by taking in account the 4Ps of marketing and the current external environment in Nepal on how you would market the same model of DELL Laptop to

1. Final Consumer (Example, Home Use, Students etc.)
2. The Industrial Market (Offices)

Note: Explain what types of laptops you would sell (check the dell website and select real relevant products), how where you will place it, what type of promotion you would do, how would you price it, how would you package it etc.

If you have any problems please do contact me at: [prabigya@yahoo.com](mailto:prabigya@yahoo.com)

**Happy holidays!!!**
